

2009 BIN END LIST - BOTTLES

Welcome to this offering; a look at our warehouse stock sheets and a general stock assessment has shown we are accumulating a lot of wine! With lots of new wines on the way it's time to do some trimming, so here is a selection of wines that have been with us for a while or where we simply overstocked. There are some genuine bargains to be had here, and all the wines have been professionally stored so should be in top condition. We will aim to update this document regularly. Please note that we have NOT set these prices up on the website, but feel free to order via the website, adding SALE to the comments box (during the checkout process) and be assured that we will only charge you the sale prices. However, it may be simpler to phone (01223) 566744, fax (01223) 844736, or email admin@nywines.co.uk with your request. As ever it's a first come, first served system, payment with order, and delivery will be charged at £8 for one case of 12 bottles or less, and £4.50 per subsequent case. Amex 1% surcharge applies.
